TWS Bluetooth Pairing

After the two speakers are turned on, press one of the buttons twice, and the speaker will find another pair. After the pairing was retained, a brisk tone was found. At this point, connect Bluetooth to play music together. Control one of them to adjust the volume of the two units.

Technical Parameters

Battery Type: Lithium Polymer Batteries 18650

Bluetooth Model: V5.0

Effective Range: 10 Meter/33FT

Charging Time: 2hours

Working Voltage: 3.7V

Input voltage:5V

Waterproof:IPX7

Battery Capacity:2300mAh

Distortion : $\leq 0.5\%$

Weight:245g
